Loudmouth Golf Women's SIZE CHARTS

MINI SHORTS

Size / Waist Guide (Actual Measurements):

Size 00 = 27" waist

Size 02 = 29" waist

Size 04 = 31" waist

Size 06 = 33" waist

Size 08 = 35" waist

REGULAR SHORTS

We do not have a custom size chart for the shorts. However, the waist is the same as mini or skorts. The length varies just as the skorts do.

SKORTS

Size / Waistband Guide (Actual measurements of waistband that sits just above the hips, 2-3" below the bellybutton):

Size 00 = 27" waist x 15.5" length

Size 02 = 29" waist x 16"

Size 04 = 31" waist x 16"

Size 06 = 33" waist x 16.5"

Size 08 = 35" waist x 17"

Size 10 = 37" waist x 17.25"

Size 12 = 39" waist x 17.6"

Size 14 = 41" waist x 18"

Note: the waist measurement is at the very top of the waist, actual measurement of the fabric. If you look at the images for skorts, the waist area quickly flares out. The difference is up to an inch between the top of the waist band and the bottom of the waist band area. Most returns are items that are TOO LARGE. Therefore we recommend you go down one size if you are uncertain.

Shipping and FAQ's

All prices in the catalog are MSRP. Please visit our online store for current prices.

Shipping price: Average shipping is \$10. SEE ONLINE STORE FOR LATEST SHIPPING PROMOTION.

Shipping International: shipping is typically \$18-25. Please email us and we'll open up ordering for your country if not listed. Customer is responsible for any duties.

Delivery time: 3-10 days.

What are the pants made of?

Printed and striped pants are a blend of 97% cotton and 3% spandex. We call them "summer poplin." Our plaid and patchwork pants are 100% cotton.

Are they machine washable? Will they shrink? Can I iron them?

You may wash them in cold water. We suggest line dry to avoid shrinkage. You may want them to shrink to fit. If so, warm tumble dry. They will shrink about 1/2" in the waist and up to 1" in length. You may press the pants with the iron on "Cotton/Steam" setting. Keep iron moving to avoid scorching.

How long will it take to get my order? Your order will usually ship within 2 business days and arrive within 5-7 business days.

Do you ship internationally?

Yes. We ship to any country that accepts US Mail. We've shipped orders to Canada, England, Ireland Australia, New Zealand, Dubai, Japan, Indonesia, Norway, Denmark, and many more. We do not offer next day international shipping. We now ship from Loudmouth International warehouses when appropriate to reduce shipping times and costs to you.

Do you offer expedited/overnight shipping? YES. We will try to accommodate any special needs. We suggest you place your order online and then send us a note in the text box provided at checkout. We accept customer FedEx #s, or we can use our own.

Can I back order an item if it is out of stock? Yes. If you know the item is out of stock, just select another pay method other than credit card, and then put a note in the text box at checkout. We will call you for your credit card info when the next shipment arrives in your size.

If the LoudMouth golf corporate web site shows an item is out of stock, is there a chance you will have it? YES. We have our own stock, plus EVERYTHING that is on their web site. As preferred partners with Loudmouth Golf we also offer lower prices, special promotions via email and other perks.
